MEMORANDUM FOR: Assistant Director for Research and Reports

ATTENTION: Chief, Cartography Division

SUBJECT: Revision of Page-Size Maps

1. NPIC uses CIA produced page-size maps in considerable quantities. In some instances these maps have not been revised since 1952 and therefore, do not reflect changes in names, cultural features, etc.

2. Since the Cartography Division periodically revises these maps, request the following be considered as NPIC's preference for page-size map revision and updating which we understand is accomplished on a non-priority basis:

European U.S.S.R.	Base 13268	10-54
Western Siberia	Base 11904	7-52
Central Siberia	Base 11901	4-52
Soviet Far East	Base 11898	3-52
Central Asia	Base 11971	4-52
Caucasus	Base 11960	3-52
Europe	Base 12290	10-52
